## PROFILE SUMMARY

Software Quality Assurance professional with a solid understanding of manual and automation testing. Experienced in writing and executing test cases, using tools like Cypress, Selenium, GitHub, and Jira. Quick learner with strong attention to detail, eager to contribute to a quality-driven team, and grow in the SQA field.

## TECHNICAL SKILL

- **Manual Testing:** Test planning, Requirement Analysis, Test Case Design, Bug Reporting(Jira), & Test Metrics.
- **Automation Tools:** Cypress, Selenium, API Testing with Postman.
- **Programming Languages:** Java, Python, JavaScript, C, C++.
- **Software Engineering Concepts:** SDLC, STLC, OOP, Agile Methodology.
- **Tools:** Visual Studio Code, Eclipse, Jira, GitHub, Git, Postman.
- **Documentation:** Google Workspace (Sheets, Docs)

## SQA PROJECTS

### Manual Testing – AutoCare Web & Android App

- Conducted structured manual testing for both the AutoCare website (<https://autocare.com.bd>) and Android app (available on Google Play Store).
- Created 18 functional test scenarios, 13 detailed test cases with severity level, comments, and pass/fail status.
- Logged 21 bugs, identified 16 usability/UX issues, and reported 5 cross-browser/platform issues.
- Documented all findings in Excel and published the final test report on GitHub.

### Automation Testing – SauceDemo Web App (Cypress)

- Developed a full end-to-end Cypress automation framework.
- Implemented 14 test cases covering login, product filtering, adding to cart, checkout, and error handling.
- Test documentation in Google Sheets.

### Manual Testing – SwiftSwapp Web & Mobile App

- Tested core flows: login, signup, profile, membership, listing, trading, chat
- Reported 19 bugs (1 Critical, 6 High) and 16 UI/UX issues
- Performed cross-browser & mobile compatibility testing
- Published full QA report with test cases, bugs, and screenshots on GitHub.

### Manual Testing – Mobile App Testing – Hishabee Business App (Android)

- Modules Tested: Sell & Due Book
- Designed & executed 35 test cases (31 passed, 4 failed) → Overall 88.57% pass rate
- Identified and reported 4 high/medium severity bugs
- Test documentation prepared in Excel (Test Cases, Bug Reports, QA Metrics).

## WORK EXPERIENCE

### Senior Associate | Quantanite Bangladesh Ltd

2019 - PRESENT

- Managed data processing tasks with a strong focus on accuracy and consistency.
- Utilized tools like Google Sheets and Jira to track work and efficiently manage tasks.
- Communicated with clients to provide support and resolve issues in a timely manner.
- Performed quality assurance checks on team members' data to maintain high standards.
- Ensured data integrity, reinforcing a strong attention to detail.
- Scheduled and conducted meetings; delivered presentations to internal stakeholders.
- Continuously building QA skills through self-learning, online courses, and hands-on projects.
